DIMENSIONS

Regular Capacity Shoe Cover Remover (10 gal)

Special Order Only

DESCRIPTION

The remover is the final piece of the puzzle. By choosing a Shoe Cover Magic remover, you are choosing the magical ending to your perfect system.

The Shoe Cover Magic Regular-Capacity Shoe Cover Remover is designed for companies that have a need to eliminate germs and to improve worker safety & productivity. This product automatically removes shoe covers with a hands-free operation and without the need to bend over.

FEATURES

- Regular-capacity: Holds up to 500 used shoe covers
- HEPA filtration to control contaminants (optional)
- Increased worker safety and compliance
- Self-contained disposable bags
- Easy bag changes
- Available in two voltages (110 or 220)
- Receiver/motor unit can be placed up to 300' away from foot plate
- Reduced contamination and errors

FAST FACTS

Material

Remover head: Stainless steel, painted steel, high impact ABS plastic

Motor unit: Powder coated steel

Capacity

Integrated 10 gal receptacle (up to 500 pieces)

Components can be connected using a flexible hose for short connections or hardwall PVC pipe for long-range connections.

PACKAGING

Item #	Weight	I x w x h (in)
SCMRC	80 lbs	48 x 40 x 21

SCMHC33

High-Capacity Shoe Cover Remover (33 gal)

Special Order Only

DESCRIPTION

The remover is the final piece of the puzzle. By choosing a Shoe Cover Magic remover, you are choosing the magical ending to your perfect system. The High-Capacity Shoe Cover Remover (33 gal) is designed for companies that have a need to eliminate germs and to improve worker safety & productivity. This product automatically removes shoe covers with a hands-free operation and without the need to bend over.

FEATURES

- High-capacity: Holds up to 1,500 used shoe covers
- HEPA filtration to control contaminants (optional)
- Increased worker safety and compliance
- Self-contained disposable bags
- Easy bag changes
- Available in two sizes and multiple voltages (110 or 220)
- Receiver/motor unit can be placed up to 300 feet away from foot plate
- Reduced contamination and errors
- Other activation options available, call for details
